The number shown in parenthesis for above product means your LEA will receive approximately one (1) case of that product per that number of Average Daily Participants (ADP).

Example: Corn, Frz (56) The number in parenthesis is the number of cases you will receive per ADP.

If you have an ADP of 112 you can expect to receive 2 cases of Corn, Frz. $112 \div 56 = 2$ cases

*If you chose not to process with Rich-SeaPak, you will receive this Mozzarella cheese.

** If you had 25%, 50%, etc. of this product processed, adjust your ADP accordingly when calculating allocation rates. If you had 100% of this product processed, you will not receive any.

*** If you chose not to have turkey processed, you will receive this ground beef.
